### Frequently Asked Questions

If you have a question that is not answered here, please contact us.

**I am a doctor/nurse at a clinic/office and we have expired medications that we need to get rid of. May we bring them to Medication Cleanout?**  
 No, we cannot accept medications that are being discarded by **clinics or doctor offices**. We will only accept medications from individual households.

**Will you require me to give my name or show identification?**  
 You will NOT be asked to provide your name. If you would like, you may cross off your name and address prior to bringing it to the event, but please **do NOT cover up the name of the medication**.

**Should I empty all of the medications that I am bringing into a bag or one container?**  
**No, please keep medications in the original container or packaging.**

**My name and address are on the container. Will my identity be safe when the containers are disposed?**  
 We will do our best to mark through identifying information on containers prior to disposal. If you would like, you may mark through the name and address (not the name of the medication) on containers prior to bringing them to the event. **Please do NOT cover up the name of the medication.**

**Will I have to stand in a long line?**  
 We will accept the medications from you at your vehicle in the drive-through/drop-off area. You should remain in your vehicle at the event.

**Will I have to fill out a lot of forms?**  
 You will not have to fill out any forms. You will be asked a few short questions, such as:  
 1. How did you learn about this event?  
 2. What would you have done with these products if this event had not taken place?  
 3. What is your zip code?

**I know that this event will help families and communities be safer. My company would like to help sponsor the next event. Who should I contact?**  
 If you would like to donate money or sponsor the next event, please click [HERE](#) to contact us.

**Can residents from towns outside of Amarillo bring medications to the event?**  
 Absolutely, the event is free for one and all.

**I want others in my community to know about this. Can I help spread the word?**  
 Please do! If you would like posters or flyers to distribute, give us a call at 806-351-5626 or just click [here](#) to email us. You may also print a [brochure](#). Spread the word at work, school, church, civic groups, or through email, Facebook, MySpace, or Twitter. The goal is to get unneeded medications out of homes to "Prevent poisonings, prevent abuse, prevent misuse, and protect the environment". The more people that know, the better!

**What if I can't make it to this event or I want to dispose of medicine between events?**  
 Click [HERE](#) to see the US Food and Drug Administration's recommendations for medication disposal.
